

UPDATE 4/10:

I trust this message finds everyone doing well, and staying healthy!

I plan to Record a video update on Monday to address various questions we have received over the last couple of weeks. However, there is one question that has been asked repeatedly that I wanted to give you the answer to now.

Many of you are aware that the public school system has been ordered to be closed until April 30. We made a decision early on that we would abide by the same guidelines. However, we have delayed making that announcement for a couple reasons. One, we already knew that we were going to be closed through April 15 at minimum, and had informed you as such. Two, we were very cautiously optimistic and hopeful that the situation would potentially turn around, and that perhaps we would hear an update from the governor that modified his order.

At this point, because we know you need to make plans for your children, and need time to do so, we are officially stating that we will stay closed through the month of April. The earliest day we would return back to school is May 4, which is a Monday.

I hope this helps with your planning for future weeks. I will check back in with you on Monday with a video update addressing some of the things that you have been calling in about, especially regarding graduation, field trips, etc.

Again, thank you for your partnership with Morningside, your patience, your flexibility, and your support and prayers. We love and miss each of you, and can't wait to see all of your precious children again soon!

Blessings—Pastor Scott
